givejedahand The #Curse of #MentalHealth is #CAMH #Psychiatry - #CAMH CEO and #IABC #COMMUNICATOROFTHEYEAR and #Nuanced (?!) #Crusader Catherine Zahn with #Uncle Paul Garfinkel and #Uncle Ddavid Goldbloom"s latest #narcissistic #dump. His #second #favorite #orgam obviously doesn't work either. Not a #bestseller in the #streetsoftoronto though we have some #FUN with it for #streetphotography. So how could Goldbloom help? Try #gettinglost! Truly - the less you have to do with such people the better! (Catherine Zahn almost looks #hot! It's easy to #mistake #evil for #sexappeal! And notice the ugly half-defaced signage that's been like that for years. These people really don't give a fuck about anything (least of all how much their compound depresses you) only about money and power. Calling them #swine is slandering #pigs. And they're corrupt from top to bottom. While they raise millions to benefit no one but themselves, their nurses smoke your pin money. True fact! #TransformingLives!
